

A Special One Day Genealogy Seminar with **LUANA DARBY BS, MLIS, AG**

Luana has 35 years of experience in genealogy as a researcher and is a speaker at local & national conferences & institutes. She's a teacher at BYU-Idaho and she's also a writer. As a member of the Association of Professional Genealogists and the Genealogical Speakers Guild, she abides by their standards of excellence. Luana is the on-site Family History Library researcher that other professionals use for difficult genealogy problems.

ADD TO YOUR GENEALOGY TOOLKIT

Four presentations will provide you with new tools to make progress on your family history.

Using the FamilySearch Wiki as a Research Partner – Discover how you can link to outside resources, collections on FamilySearch, and use the knowledge of the professional contributors to give you an advantage in your searching.

A Powerful Analysis Tool – Using Excel to Expand Your Research Options –We will discuss how to harness the power of a simple spreadsheet to streamline citations, research logs, census and family analysis. Learn how to download results from Ancestry and FamilySearch into a spreadsheet that you can organize and sort.

Follow the Money: Taxes, Wills, and Probate – Learn what these records hold, where to find them, and how they can help you understand familial structures and use them to open new research. Online record collections and finding aids will be discussed as well as resources for laws and statutes that govern these records.

Finding Hidden Gems: Strategic Searches on the Internet – Learn ‘how’ to search Google, FamilySearch, and Ancestry like a pro to get what you need, as well as other key genealogy websites. Archives, manuscripts, libraries, and their associated finding aids will be discussed and may provide answers you cannot find elsewhere.

PLUS DOOR PRIZES & GAMES!

Door prizes will be drawn throughout the day. You must be present on Zoom to win. The first 25 people to register will be entered into an additional drawing for a gift worth \$25.
