

## **Proposed GSNOCC Bylaws Addition**

Since the current world situation regarding the COVID-19 pandemic has forced GSNOCC to hold meetings using a virtual platform, the Board of Directors is proposing an addition to the GSNOCC Bylaws. Our current Bylaws do not have wording that expressly allows for such meetings. To bring the bylaws into compliance, the following addition to Article IX- Meetings and Quorums will be voted upon at the October General meeting.

### Article IX- Meetings and Quorums

#### Item 4

Should unanticipated extraordinary circumstances occur that would cause the Society to be unable to adhere to the normal course of business, the use of electronic or virtual means may be designated by the Board of Directors to conduct Society business at any Society meeting, including, but not limited to, general membership meetings, Board meetings, Committee meetings, or any special meetings called by the President. Any meeting using these means will be subject to all rules and procedures for meetings set forth in the Society's Bylaws and Standing Rules.

If you have any questions or concerns about this proposed addition to the Bylaws, please contact one of the Board members.

We hope you will attend the October general membership meeting to vote upon this important issue.

*Your Board of Directors*
